

BAY HEAD BOATS GO IN BAKER CUP RACE

BAY HEAD, July 10.—Boats of the fleet of the Bay Head Yacht Club have spent the greater part of the time in foreign waters during the past two weeks but today they enjoyed races over their home course. It was the annual race for the H. F. Baker cup that urged the women to the sheets and the helms of a dozen of the boats.

The Baker cup race was run this morning and this afternoon the sneak-boxes were out with crews of men in competition for the High Hill Cup, one of the most important trophies offered at the club.

Next Saturday the boats will sail to the races at the Island Heights Yacht Club. These races are a part of the schedule of the Barnegat Bay Yacht Racing Association and always attract a large fleet of fast boats.

Tennis players are getting warmed up for the season with the opening this week of the tournament season. The tennis committee which is headed by Robert H. Metcalf has arranged for a schedule of games, which will include events for the girls, boys and the older members of the club. Prizes are to be awarded to all the winners and the runners up. The tournaments will lead up to the North Jersey Coast Championships which are to be played here, opening Monday before Labor Day.
