

Yachts Race at Bayhead

Both Women and Men Sail Boats in Regatta

Special Dispatch to The Tribune

BAYHEAD, N. J., July 31.—Having entertained the yachting enthusiasts of the Barnegat Bay Yacht Racing Association here last Saturday, the skip-pers of the Bayhead Yacht Club to-day took their fast boats down to Seaside Park for the weekly regatta of the association, which was sailed over the course of the Seaside Club. Six from the Bayhead Club were entered in to-day's regatta, women sailing this morning and the men in the afternoon.

Many society women attended the weekly bridge party at the yacht club this week. The series was started several weeks ago and has grown greatly in popularity, until now they hold an important place on the weekly social schedules.
