

Bay Head Yacht Club Crafts Showing Speed

Special to The Inquirer.

BAYHEAD, N. J., July 31.—Having entertained the yachting enthusiasts of the Barnegat Bay Yacht Racing Association here last Saturday, the skippers of the Bayhead Yacht Club took their fast boats down to Seaside Park for the weekly regatta of the association which was sailed over the course of the Seaside Club. Some of the fastest boats in the Barnegat Bay waters claim Bayhead as their home waters and they are giving good account of themselves in the race for the bay honors this year.

Cracks of the courts are coming here for the North Jersey Coast Tennis championships, which will be played here the last week of the month. Many of the fastest players who are entered in the Spring Lake Beach championships and the Sea Bright tournament are to be here and it is expected that the preliminary rounds will produce some fine play.

Bay waters are becoming more popular with the owners of fast motor craft and it is expected that the completion of the inland waterway now being developed between the head of the Barnegat Bay and the Manasquan River will open the way up for a general expansion of motor boating as one of the
