

Moore Trophy Won by Westin In Bay Racing

BAY HEAD — Fred Westin of Bay Head Yacht Club, won the Governor A. Harry Moore trophy here yesterday by coaxing his G class sloop "Auray" across the finish line first as the 41st season of the Barnegat Bay Yacht Racing Association got under way.

Nearly 100 sailboats competed in the nine races scheduled in the championship regatta. The morning events were delayed half an hour because of the lack of wind. Many craft were becalmed before reaching the starting line.

Behind Westin in the G Sloops were Pete Ill in the Barracuda and Jack Fellows in the Southwind, both of Toms River Yacht Club.

Fred C. Grigg, Island Heights, won the Comets in his No. 3128. Bill O'Connor, Bay Head, took second in his No. 3125, and Leonard Egee, Island Heights, was third in his No. 3208.

Sindie Takes Race

H. R. Sindie, Lavallette, copped first place in Thistles as he won going away in his "Vim Two." S. V. Merrick and J. Hardrader, both of Bay Head, finished second and third.

Jim Carson, Metedeconk Yacht Club, whose "Sparks" finished third in Lightnings, protested Bob Adams' win in that class. Carson told racing officials that Adams had violated code rule one which specifies that "when two yachts are on the opposite tack the craft on the port tack shall keep clear." There was no immediate decision regarding the protest. Adams is also a member of the Metedeconk Club. Margie Adams, sister of the disputed winner, crossed the line second in her "Whirlwind."

Russ Lord, Lavallette, took the honors for the 17-foot cats in his "Felix." Lord was chased across the line by clubmate R. Davis who skippered the "Catnip." Al Miller, also of Lavallette, took third in the "Oriole."

Silver Mist Wins

Max Culpepper guided his "Silver Mist" to victory in the junior comets. Dan Crabbe came home second in the "Skunk" and Dale Slack showed in the "Yankee Two." All three represented the Island Heights Yacht Club.

The inter-moth race went to John Applegate, Toms River.

J. Hardrader, Bay Head, pushed his "Wee Rader" home first in the Penguin event.

The B Sneakbox race was won by Gay Crampton in the "C'Est Si Bonne."

Two events were run on the Man' toloking Yacht Club course. Bud Kimpton, Toms River, took first in the E Sloops in his T-13.

Fred Winkelman, Lavallette, copped the Cats in the "Lotus."
