

# Light Bay Airs Plague Sailors on the Barnegat

BEACHWOOD—Light air dropping to a calm plagued morning race participants in the sixth Barnegat Bay Yacht Racing Association championship regatta yesterday at the Beachwood Yacht Club.

Two classes, Senior and Junior Penguins, got the no-race signal when none of the boats finished within the time limit.

The breeze veered from west to south and rose to eight miles for the afternoon races.

Several classes were depleted

when skippers took cuts to sail in other events; among them the North American Flying Dutchman Championships at the Lavallette Yacht Club, the Jersey Coast Comet Championship at the Seaside Park club and the National Junior Jet event at the Bay Head club.

Runyon Colie Jr., Mantoloking Yacht Club, won the E Sloop race for the Lemon Trophy.

Mantoloking skippers took the first three places in the B Sneakbox race, and Beachwood Senior Jet skippers took the first three in that class.
