

**POLICY AND PROCEDURE RELATING TO CUT OF
CHAMPIONSHIP RACES OF BARNEGAT BAY
YACHT RACING ASSOCIATION**

The following was promulgated as policy and procedure relating to cut of championship races at the BBYRA Spring Meeting of Delegates on May 23, 1964, to be effective until further notice:

1. In order to qualify for championship, a yacht must be classified as a starter in both of the last two season races and in all but two (Flying Dutchmen, Lightnings, Senior Comets, Senior Jets - three) races scheduled for her class except that when a yacht or skipper represents the BBYRA in the National Events as agreed upon at the Spring Delegates' meeting they may at the discretion of the Regatta Committee of BBYRA be granted one additional cut. This additional cut may be allowed in any of the season races.

2. Those events for which one additional cut may be granted are finals in the NAYRU sponsored Junior Sailing Championship - Sears Cup; Women's National Sailing Championship - Adams Trophy; North American Sailing Championship - Mallory Cup; North American Single-Handed Championship - O'Day Trophy; and elimination and final events of Olympic Games. Such additional cut may be allowed in any of the championship races.

3. At the discretion of the Regatta Committee a skipper may exercise a cut to which he is already entitled in the last two championship races so that he might participate in the finals of a national class championship, provided that qualification thereto has been established by class elimination, or in the absence thereof, he has been selected as one out of six qualifiers, two out of ten qualifiers, or three out of more than ten qualifiers in that BBYRA class championship as of eight days prior to the date on which the cut is desired. No additional cut will be granted for this purpose.

4. Each request for action by the Regatta Committee shall be in writing and shall include all pertinent details. The request must be received by the Chairman of the Regatta Committee at least fifteen days prior to the date on which the cut is requested.
