## INSTRUCTIONS AND RACING RULES

The 1965 Edition of the By-Laws and Racing Rules of B.B.Y.R.A. shall cover all races held under the jurisdiction of the association unless otherwise specified.

Any skipper withdrawing from a race without prompt notice to the Regatta Committee or one of the regatta patrol boats flying a patrol flag, shall, upon notification by the Regatta Committee to the Regatta Committee Representative of the skipper's club, be disqualified for the next two races. The skipper, however, shall have the right to appeal within three (3) days to the Regatta Committee, which committee, should it affirm the disqualification, shall have the right to increase or decrease the penalty. The appellant shall have the right to continue to race pending decision by the committee.

In order to qualify for championship, a yacht must be classified as a starter in the last two season races and in all but two (Lightnings, "E" Sloops, Jets—three) races of those scheduled for her class, except that when a yacht or skipper represents the B.B.Y.R.A. in the final event of any of the N.A.Y.R.U. sponsored National Championships and the elimination and final event of Olympic Games. In that event, the skipper or yacht may be granted one additional cut at the discretion of the Regatta Committee. This additional cut may be allowed in any of the season races. At the discretion of the Regatta Committee, a skipper may exercise a cut to which he is already entitled in the last two championship races so that he might participate in the finals of a national class championship provided that qualification thereto has been established by class elimination or, in the absence thereof, he has been selected as one out of six qualifiers, two out of ten qualifiers, or three out of more than ten qualifiers in that B.B.Y.R.A. class championship as of eight days prior to the date on which the cut is desired. No additional cut will be granted for this purpose. Each request for action by the Regatta Committee shall be in writing and shall include all pertinent details. The request must be received by the Chairman of the Regatta Committee at least fifteen days prior to the date on which the cut is desired.

On an experimental basis during the 1967 season, the B.B.Y.R.A. Championship for the "E" Sloop class shall be determined in accordance with B.B.Y.R.A. June, 1965 Racing Rules, B. Scoring, Pages 19-20, except for the lowest score of each yacht in any of the qualifying races will be discarded prior to the final determination of its percentage. In no case will any yacht qualify for championship unless it has started in at least nine races.

Skippers of national class association yachts are required to be members in good standing in their respective class organizations.

An entrance fee of Two Dollars (\$2.00) will be charged in each race of the championship series for all classes except Junior Classes, in which case a fee of One Dollar (\$1.00) will be charged. Junior Classes are: "A" Sneakboxes, "B" Sneakboxes, Junior Penguins, Intermediate Penguins and Jr. Comets.

Yachts intending to enter a protest must display a Protest Flag (Code Flag "B"). All protests must be submitted on the form provided by the Protest Committee.

All yachts must carry safety equipment as specified by their class, which shall include not less than a paddle, bucket or pump, anchor and line, and one U.S.C.G. approved life preserver for each member of the crew. All yachts are subject to inspection and disqualification for failure to carry specified equipment. It is recommended that an approved vest-type life preserver be worn by all non-swimmers and juniors under the age of fifteen. It shall be the sole responsibility of the skipper of each yacht to decide whether or not to start or continue to race.

Class "A" Sneakboxes must be sailed by a skipper and crew less than 20 years of age and must conform with class specifications. Boats built after 1952 must have measurement certificates.

Class "B" Sneakboxes must be sailed by skipper and crew less than 16 years of age, must conform with class specifications and shall have a horizontal strip of black or red cloth, 12 inches long and 3 inches high, attached to both sides of the sail directly below the racing number. Boats built after 1952 must have measurement certificates.

Intermediate Penguins and Junior Comets must be sailed by a skipper and crew less than 18 years of age and must display a green pennant on the roach of the sail or end of boom at least 2 inches by 10 inches.

Junior Penguins must be sailed by a skipper and crew less than 15 years of age, and must display an orange pennant on the roach of the sail or end of boom at least 2 inches by 10 inches.

Rooster Flags must be turned in before the next scheduled race or a deposit of Three Dollars (\$3.00) for its return will be required before entry will be accepted. Failure to return rooster the second race week will cause rejection of entry.
