Dr. Dunn proposed a change in the Racing Rules which was reworded as follows following discussion:

"A.5. (g) ENTRIES - No person who belongs to more than one member yacht club or more than one yacht racing association, shall participate in any national or regional event after he has been eliminated from racing in that event. Violation of this rule will be disqualification for the current racing season." (Move following paragraphs down one letter)

Upon motion duly made, seconded, and approved, this change is recommended to the Delegates.

Dr. Dunn reported on a breach of etiquette by a member of a member Club of the Association in connection with a NAYRU event and asked advice of the Executive Committee. It was suggested the BBYRA relate the incident to the Club Officers with a suggestion that they take whatever action they deem appropriate. Commodore Bach appointed Tom Chapman a committee of one to carry this information to the Club Officers.

IHYC recommended and urged the BBYRA consider liberalization of NAYRU rule 73.2

Meeting adjourned.
