

BBYRA REGATTA COMMITTEE MINUTES

June 22, 1974

Bay Head Yacht Club

All clubs present except Normandy Beach Yacht Club.

1. Homer Dennis brought up our lack of radio communications with the Coast Guard. In order to work something out to improve the situation, it was decided that Werner Dahl and Dr. Dunn discuss BBYRA problems with Manasquan River Coast Guard Station and report back.
2. Laser equipment was discussed and decided that all lasers must carry CG-approved life jacket, anchor and 20 ft. of line, and paddle.
3. Secretary to contact laser class fleet representative Bob Broege in order to try to obtain class rules and specifications.

June 28, 1974

Island Heights Yacht Club

All clubs present except Normandy Beach Yacht Club.

1. Bob West requested that we give the Bluejays lunches for three crews. In Junior Class the Skipper feels he has to use three crews to come up to 250 lb. weight. Seconded by Sumner White.

No other discussions.

BBYRA REGATTA COMMITTEE MINUTES

July 6, 1974

Manasquan Yacht Club

All clubs present.

1. Discussion on whether lasers and hobbies should be allowed to omit bailers. Motion was made that we waive this requirement for the above-mentioned boats.
2. Entry fee for M's that are restricted to 18 yr. olds be considered a junior fleet . No action was taken and was to be passed onto Fleet Captain for action.
3. Letter from Norm Berson, Jr., requesting the excused cut for Island Heights Regatta as he did not receive identification pennant in time from Tom Chapman and thus was delayed long enough to miss race. This request was approved.
4. Motion was made to rescind the disqualification of "B" Cats because they did not have sufficient time to familiarize themselves with rules as far as equipment they must carry. The original motion to be considered as a warning to this class that they must have proper equipment as other fleets must carry.
5. In future, any fleet before they will be admitted on a provisional basis to the BBYRA, such a fleet must elect their representative who shall act as a liason with the BBYRA.

August 10, 1974

Normandy Beach Yacht Club

All representatives present.

1. All representatives will be responsible to see that all sailors from their Yacht Club who were present at Normandy Beach Regatta and did not register for the morning race can register through their representative. Card must be filled out and turned into scorer with proper entry fee. All Skippers who register must have their boat at the Club; otherwise, it is considered a fraudulent registration and will be suspended for two weeks.

Rick Applin was disqualified for two weeks for registering and boat not present, commencing August 17th and will receive a cut for this date (August 3).

2. Bob West requested that all A M'Scouts have a registration fee of \$2.00 because they are a junior class. This was seconded by Dr. Dunn, voted down 8-1, and passed on to Winter Regatta Committee for reconsideration.
