BARNEGAT BAY YACHT RACING ASSOCIATION

INSTRUCTIONS TO LOCAL REGATTA COMMITTEES OF MEMBER CLUBS

The following instructions are promulgated by the Regatta Committee of the Barnegat Bay Yacht Racing Association to standardize equipment and procedure at all BBYRA Regattas. These instructions do not in any way replace BBYRA By-Laws and Racing Rules.

FACILITIES

1. Starting Area and Dock shall be made clear of all moored and anchored boats and as far as possible the dock should be kept clear of all power boats not involved in the regatta. This should be accomplished prior to 0800.

2. Hoist and Launch Area. It is suggested that a member of the Host Club Local Regatta Committee be on hand at 0800 and remain in charge; also to patrol traffic to the launching area and parking.

3. Registration Area. Suitable tables and/or desk with chairs should be provided to accommodate the Entry Committee. Like facilities should be provided in a separate area for registrants to complete their entry cards. It would be helpful if another small area were provided, with an attendant, to handle the sale of articles useful to the BBYRA and registering skippers.

EQUIPMENT

4. Turning Markers shall be 50 gallon drums painted international iridescent orange-red with black letters on each end, and secured with suitable moorings. Each year it is the responsibility of the member clubs to properly maintain and place their assigned turning markers prior to the first race of the season and periodically check their condition and location during the racing season. It is the responsibility of the host club of each regatta to insure the condition and location of each turning marker used on the BBYRA course sheet immediately prior to the commencement of its regatta. Should it find that one of such turning markers is missing, the host club should immediately make arrangements for a substitute replacement in accordance with BBYRA regulations. It is suggested that one member of the Local Regatta Committee be assigned this responsibility. A report of the condition and proper location of turning markers must be made to the Chairman of the BBYRA Regatta Committee prior to 0900.

Assigned member club turning markers are as follows:

Mantoloking Yacht Club	Letters. A, B, C, D, E	} Upper Bay
