## HISTORY

For many years prior to the inception of the Barnegat Bay Yacht Racing Association, yacht racing was the popular sport on the Bay. Commodore Herman Muller of the Seaside Park Yacht Club invited members of local yacht clubs to meet with him on February 11, 1914 to discuss the advisability of forming an association to foster and unify yacht racing on Barnegat Bay. Four clubs were represented at this meeting, Bay Head, Island Heights, Ocean Gate and Seaside Park. After agreement as to the name and purpose of the Association, Commodore J.V.A. Cattus of the Bay Head Yacht Club was unanimously elected Chairman and to serve with him, Commodore E. A. Lloyd, Jr., as Vice Chairman, Commodore Herman Muller, Secretary and Mr. M.R.H. Crowell, Treasurer. The first regular meeting was held March 11, 1914 at the Bellevue-Stratford Hotel, Philadelphia, Pennsylvania, at which time the original Bylaws were adopted and a racing schedule formulated, the first race being held at the Seaside Park Yacht Club on July 4 of that year. At this first meeting, the Association was enlarged by the election of the Mantoloking Yacht Club into its membership.

The first season's championships awarded by this new organization was in 1914. The first annual meeting was held on October 21 of that year and by this time, membership had grown to six Clubs by the addition of the Lavallette Yacht Club and an official Regatta Committee was appointed then known as "The Racing Commission." In 1922, the Toms River Yacht Club was elected to membership. The following Clubs were subsequently elected to Membership: Shore Acres Yacht Club (1941), Beachwood Yacht Club (1946), Metedeconk River Yacht Club (1946), Normandy Beach Yacht Club (1947), Manasquan River Yacht Club (1962), and Pine Beach Yacht Club (1979).

The development of this Association has been gradual but sound, and each and every group of officers have contributed their time and energy to bring about an institution that should continue to prosper as long as the tide ebbs and flows on Barnegat Bay.

### D. RACING TRIM

1. All one-design and restricted classes must file with the Association Measurer a copy of their class rules and regulations which shall include restrictions, measurements and designations pertaining to the hull, mast, rigging, sails, and crew limitations as to weight and number, not later than two weeks prior to the date of the first championship regatta. These will remain frozen through the current Regatta season. No yacht will be entitled to start in any race unless the yacht meets the above mentioned requirements and conforms to the racing rules and regulations of the Association.
2. A record of class restrictions and designations including sails, crew limitations, equipment, etc., will be maintained by the Association Measurer.
3. All yachts must carry safety equipment as specified by their class, as may be required by the USCG and as set forth in Appendix 1. Deviations for any class may be granted by the Regatta Committee.

### E. SCORING

1. Each season the Association will award the championship to the yacht in each class making the best score according to the method outlined below. The BBYRA may act to suspend the awards of a class's season championship series if the final outcome of its series is dependent on the outcome of an appeal.
2. Only those races designated for points in the championship series will be considered in computing the record of each yacht. No new class shall be added to the race program for championship purposes after the issuance of the Annual Regatta Schedule.
3. In order to qualify for the championship a yacht must be classified as a starter in all but three races of those started for her class except as indicated in the Annual Regatta Schedule.
4. A yacht shall rank as a starter if she has entered in accordance with Section C. of these rules and conforms to IYRR Rule 50. No race shall be declared official unless there are two or more starters.
5. The championship record of a qualified yacht will be her total score divided by the number of points she would have received had she finished first in every race she ranked as a starter. The highest score wins.

6. A yacht shall score one point for finishing plus one point for each yacht beaten. All other yachts, including a yacht which finishes and thereafter retires or is disqualified, shall score 0 points except as otherwise provided in these Rules. All yachts ranking as starters shall be considered beaten whether or not they start, finish, or are disqualified. Yachts not starting or ranking as starters will not be scored.

7. Notwithstanding paragraphs 5 and 6, any class which so requests prior to March 15th, may be scored in accordance with IYRR Appendix 5A, Paragraphs 2a, "Low-Point Schedule," 2b, and 3.

8. A yacht receiving an Alternative Penalty shall be scored in accordance with IYRR Appendix 3, Paragraph 2, "Percentage".

9. A yacht which ranks as a starter in more than the minimum number of races required to qualify shall have that race most detrimental to her record excluded.

10. Points shall be awarded to a yacht and may not be transferred except by specific permission of the Regatta Committee.

11. If two or more yachts tie in a race, the total points for the positions involved shall be divided equally between them.

12. If two or more yachts tie for first place in a race involving a trophy, the Regatta Committee may order a resale if possible, otherwise the trophy will be awarded to each yacht to be held an equal length of time.

13. In the event that two or more yachts tie in the final championship standings, the yacht that has finished ahead of the other yacht the greater number of times in the championship shall be considered the winner. If this does not break the tie the yacht with the most firsts, then seconds, etc shall be declared the winner.

14. A report of each championship race giving the identification of all yachts registered therein, their order of finish, together with the entry sheets, shall be filed with the Scorer of the Regatta Committee and kept for two years.

15. A suitable Point Accumulation Sheet will be maintained by the scorer showing in detail the record of each yacht's activity for the current racing season. All scores shall be considered final fifteen days after they are published except as indicated in the Sailing Instructions or where a decision on a valid protest is pending. Final Point Accumulation Sheets shall be filed with the Secretary at the conclusion of each season.

16. First place individual regatta pennants will be awarded for each race of the championship series. Second place pennants will be awarded when there are between 4 and 6 starters, and third place pennants awarded when there are more than 6 starters.

17. Season championship flags and trophies will be awarded to the winning yacht in each class. Second place trophies will be awarded when there are between 4 and 6 qualifiers; third place when there are between 7 and 17 qualifiers; fourth place when there are between 18 and 27 qualifiers; and fifth place when there are more than 27 qualifiers

**F. PROTESTS, DISQUALIFICATIONS & APPEALS**

1. Protests and Hearings shall be in accordance with current US SAILING Procedures except as modified in the Sailing Instructions.
2. All decisions upon written protests shall be in writing and filed with the Scorer along with the original protest papers. The Scorer, after noting any adjustments to the scores of the yacht(s) involved, shall forward the original protest, decision and pertinent papers to the Secretary of the Association who shall keep them on the file for a period of two years.
3. An owner or his representative or the Race Committee wishing to appeal the decision of the protest committee must signify that by filing a written appeal, postmarked not later than 15 days following receipt of the written decision, which shall be sent to the Scorer with copies to the chairman of the Appeals Committee and the chairman of the Regatta Committee of the BBYRA. A copy shall also be sent to the other yacht(s) involved, who appeared or were entitled to appear at the protest hearing. The written appeal shall contain the grounds for the appeal. Appeals to the Appeals Committee of the Association shall be limited to interpretation of the rules.
4. The Appeals Committee of the Association may affirm or reverse the decision of the Protest Committee.
5. Decisions of the Appeals Committee shall be in writing and the grounds of each decision shall be specified therein. Copies thereof shall be sent to all parties to the infringement and appeal.
6. The Appeals Committee prescribes that anyone submitting an Appeal shall include payment of \$10.00.
