

BARNEGAT BAY YACHT RACING ASSOCIATION

November 13, 1993

The liaison meeting was called to order by Rear Commodore McNeil at 10:00 Hours at Toms River Yacht Club.

A-Cat- Would like the use of the full starting line with the addition of two new boats.

Blue Jay- N/A

Ensign -When the life jacket pennant raises, the #1 genoa cannot be used.

E-Scow- Would like B fleet scoring system which would provide separate set of trophies. Flootation pads must be used when the "Y" flag is flown. The class would also like to be hailed over early and the use of the one minute rule to be in effect. Also a discussion of windward/leeward courses be considered in the P.M.

Flying Scots- Would like courses similar to Lightning, and the whole line to start.

Laser- Would like the one minute rule in effect.

LaserII- Continue with low point scoring, called over early, and no race on August 29th, and additional race at Shore Acres in P.M.

Laser Masters- Would like one minute rule and to continue class sailing.

Lightning - Do not want one minute rule and to continue the mid-line marker.

M-Scow- N/A

Sneakbox- Like 6-7 mile courses and longer courses. The class would also like to be hailed over and do not like the one minute rule.

Sanderling- Consider putting class in the normal courses in an early start and to be hailed over early. The class does not want the one minute rule and liked the early starting time.

All classes present requested hailing boats over early.

Respectfully submitted,

Dale M. Doria, Vice Commodore

BARNEGAT BAY YACHT RACING ASSOCIATION
