Barnegat Bay Yacht Racing Association

Cherry Hill, NJ 08034

Dear Vice Commodore Foote,

I am writing to you on behalf of the Junior Sailing Coordinators of Barnegat Bay Yacht Racing Association to request two 1999 racing season guest starts for the Sunfish fleet and for the Optimist Dinghy fleet.

As per our discussion at the May 1st Junior Sailing Coordinator Meeting at Toms River, I am requesting that the Sunfish fleet be granted a guest start in the starting sequence of races on July 17th at Toms River and on August 14th at Normandy Beach. We anticipate both junior sailors and adults will race Sunfish in these races.

With regard to the Optimist Dinghies, the Junior Sailing Coordinators are requesting two guest start dates for the Optis. The dates we are requesting are July 17th at Toms River and August 14th at Normandy Beach (same dates requested for the Sunfish fleet). The Coordinators have agreed to supply a race committee boat, pin boat and two patrol boats to run a separate portable mark racecourse for the Optis. On behalf of the Junior Sailing Coordinators, I am requesting that BBYRA place race officials on the race committee boat for the Opti racecourse.

Additionally, the Coordinators have agreed to limit participation in the Opti races to junior sailors with advanced racing skills. Sailors will be required to secure approval to race from both their Coordinator their head sailing instructor. The following clubs and individuals have committed to provide and staff boats to run these races:

Manasquan River Yacht Club
Pine Beach Yacht Club
Seaside Park Yacht Club
Toms River Yacht Club
Dev Colie of Colie Sails.

On behalf of the Coordinators, I thank you and the officers of the Barnegat Bay Yacht Racing Association for your efforts to increase junior participation in BBYRA race days. I look forward to hearing from you.

Sincerely yours,

Evelyn B. Seymour
Chair, BBYRA Junior Sailing
