Call for NEW 'On the Water' Regatta Volunteers

Would you like to spend some of your Saturdays on the water? Would you like to provide valuable help and learn how a Regatta is run? We always have jobs for newbies who want to learn. Not to worry, you will always be assisting an experienced Regatta Committee Member.

Our day starts early, 7:30 a.m. at the host club, and we get back between 4-5 p.m. Lunches are provided and there is usually some type of event at the host club after racing. We would like new volunteers that expect to be available for multiple weeks (3-10), but you are more than welcome to just come out for one week only to see if this experience is for you.

There are numerous boats used to conduct the races.

- 1) Committee Boat (Start Boat) manages the races.
- 2) Line Boat sets the starting pin, leeward marks and the downwind finish mark.
- 3) Late Entry Boat takes daily registrations and hands out course sheets in the starting area.
- 4) Mark Set Boat sets the windward mark, offset, short leeward and upwind finish mark.
- 5) Upwind Finish Boat records finishes.

We have experienced staff on each of these boats, but they NEED YOUR HELP. Having new people learn Race Committee tasks prepares us for the future.

So how can you help if you barely know port from starboard?

Can you use a clipboard to write down sail numbers?

Then you could work on the Start Boat to record boats checking in before the race and you will learn to identify the different race classes. You might also work on the Finish Boat to record sail numbers called out by the line judge.

Can you inflate/deflate marks and drop them in the water or lift them out?

Then you could work on the Mark Set or Line Boat under the direction of a senior RC member.

Can you use a crab net to collect daily registrations and hand out course sheets from passing boats?

Then you could work on the Late Entry Boat which sometimes also acts as a finish boat.

As you learn different jobs you might also like to advance to other tasks such as Radio Operator, Tracker, Course Board operator, Signal flags, Cannon, Wind Reader, Line Call and other. You'll find out more about what our volunteers do in these positions when you're on board. We all like to impart our knowledge on others and encourage questions.

Our staff really enjoys their work and the comradery that working on the RC offers and invites you to get hooked like we are.

BARNEGAT BAY YACHT RACING ASSOCIATION

www.bbyra.org

Dear Friends,

Welcome to the 2019 season of the BBYRA, our 105th year of supporting sailing competition for all ages on the historic Barnegat Bay. The Officers and many Regatta Committee members have been hard at work during the off-season in preparation for the coming year. Our active RC volunteers have exceptional race management skills and provide outstanding service to our sailors. Their efforts and dedication have and deserve our utmost gratitude.

This year, we are very excited as the MC Scow Class sheds its provisional status to become a fully eligible racing class. This brings us to 12 active fleets for 2019. Welcome aboard MC's and any other newcomers to our other fleets.

There are other exciting developments as well. The 2 year program to refurbish the fleet of Ribcraft is drawing to a close with the boats receiving major rework of the tubes and having an upgraded electronics package added. A sharp new look and improved safety.

Through the generosity of a new donor, we were able to acquire a fleet of FJ sailboats to support the local high school sailing programs of the NJISA as well as OCC's collegiate sailing program. The boats in this fleet will carry the BBYRA logo on the main and improve our visibility as an organization. Look for them on the Toms River in the late spring and fall.

As we look forward to another BBYRA Championship Series, a truly unique event in the sailing world, we wish all our racing sailors the best of luck. Sail fast and enjoy the competition, while honoring the rules and your fellow sailors. And of course, return home to safe harbor every week.

We hope you find this yearbook a valuable resource as always, and invite you to join our email list via our website at www.bbyra.org, or find us on Facebook and Instagram as well.

See you on the water,

Mark Masur

HISTORY

For many years prior to the inception of the Barnegat Bay Yacht Racing Association, yacht racing was the popular sport on the Bay. Commodore Herman Muller of the Seaside Park Yacht Club, invited members of local yacht clubs to meet with him on February 11, 1914, to discuss the advisability of forming an association to foster and unify yacht racing on the Barnegat Bay. Four clubs were represented at this meeting: Bay Head, Island Heights, Ocean Gate and Seaside Park.

After agreement as to the name and purpose of the Association, Commodore J.V.A. Cattus of the Bay Head Yacht Club, was unanimously elected Chairman and to serve with him, Commodore E. A. Lloyd, Jr., as Vice Chairman, Commodore Herman Muller, Secretary and Mr. M.R.H. Crowell, Treasurer. The first regular meeting was held March 11, 1914, at the Bellevue-Stratford Hotel, Philadelphia, Pennsylvania, at which time the original Bylaws were adopted and a racing schedule formulated, the first race being held at the Seaside Park Yacht Club on July 4, 1914. At this first meeting, the Association was enlarged by the election of the Mantoloking Yacht Club into its membership.

The first season's championships awarded by this new organization were in 1914. The first annual meeting was held on October 21, 1914. By this time, membership had grown to six Clubs by the addition of the Lavallette Yacht Club; an official Regatta Committee was appointed then known as "The Racing Commission." In 1922, the Toms River Yacht Club was elected to membership. The following Clubs were subsequently elected to Membership: Shore Acres Yacht Club (1941), Beachwood Yacht Club (1946), Metedeconk River Yacht Club (1946), Normandy Beach Yacht Club (1947), Manasquan River Yacht Club (1962), Pine Beach Yacht Club (1979), and Ocean County College Sailing Club (2005).

The BBYRA Delegates approved an extensive revision of the Bylaws in 1994. The organization applied for, and received, Federal and State status as a tax-exempt corporation 501(c)(3) enabling contributions to the BBYRA to be tax-deductible based on individual limits. The impetus for change during the 90's did not stop at the Bylaws.

Significant changes have been made to the Racing Rules, Sailing Instructions, Course Configuration, scoring and methods of registration. An active web-site was introduced in 2000, which has provided timely communications between the Yacht Racing Association and the Clubs and Sailors.

The BBYRA horizons continue to expand beyond the Saturday Championship series. We currently serve as the umbrella organization uniting Junior Sailing Programs and YRA-sponsored instructional clinics and coordinated events. Our seminars, providing Race Management and Judges' training, reinforce our commitment to provide the best venue possible for our sailing members.

The development of the Association has been gradual but sound. Each group of officers contributes their time, energy, and effort to continue the commitment to sailing and racing on Barnegat Bay.

O.G. DALE MEMORIAL TROPHY

Outstanding Sportsmanship in BBYRA

"Awarded for a period of one year in recognition of Outstanding Sportsmanship in the Barnegat Bay Yacht Racing Association." This award recognizes outstanding sportsmanship and conduct. Any sailor, skipper or crew, senior or junior is eligible to be nominated for this award. "If no one's name readily comes to mind during the racing season, there is no need to make this award."
 "Also, if someone has already earned recognition for good conduct during any of the past few seasons I see no reason why the award couldn't be made this year on that account."
 This trophy was donated by F. Slade Dale in June of 1936, in memory of his father - Orton G. Dale.
 The original bronze cup has had three silver bands and bases added over the years, the most recent in 2005, to make room for the winners' names.

Awarded to the BBYRA Season Champion. William M. Wood and his crew and wife Peggy Keyser started winning trophies on Barnegat Bay in the 1910's. Bill won BBYRA Championships in his 18ft. Catboat, SUDS, in 1927, and his Barnegat 17, Grandmother Honey, in 1967. In the 1950's, he helped develop the current BBYRA Barrel Courses. In 1972, he bought Pearson Ensign #176, Demitasse, and in 1973 formed Ensign Fleet 63. Over the next twelve years, he helped the fleet grow to 23 racing boats. Bill taught 6 grandchildren to sail, race, crab, and over-night cruise on the Demitasse. Bill's daughter, Leigh F.W. Murphey, renamed Ensign 176 the Chowder. These days, the Chowder is actively raced by Bill Wood's grandson Bill Murphey with crew great-granddaughter Erin Murphey.

This trophy was first awarded in 2012.

Edward W. Feirer Memorial Fund

The Edward W. Feirer Memorial Fund (Feirer Fund) was created by the family of Ed Feirer. Mr. Feirer was an avid sailor, active in the BBYRA for many years, and a long time member of Beachwood Yacht Club (BYC). The purpose of the Feirer Fund is to enable skippers "to pursue further competition beyond the BBYRA level" in US Sailing National Cup Events and/or US Olympic Qualification Events. As per the Deed of Gift, the Feirer Fund is to be placed in a separate interest bearing account of the BBYRA and maintained by the BBYRA. The interest of this separate account are the funds to be disbursed annually to qualified skippers. Any portion of the available funds that are not disbursed are to revert to the principal of the Feirer Fund. Distribution of the available funds is to be at the sole discretion of a committee consisting of a representative member of BYC, BBYRA Commodore and BBYRA Chairperson of US Sailing National Cup Events.

Disbursement of Funds

1. All eligible registration forms submitted to the BBYRA Chairperson of US Sailing National Cup Events and approved by the Chairperson shall be considered an application to the Feirer Fund. The BBYRA Chairperson shall notify and forward a copy of each accepted application to the BBYRA Commodore and BYC Commodore simultaneously.
2. BBYRA shall pay the registration fee(s) for approved application(s) for those competitors who qualify for the finals of the National Cup Events and/or US Olympic Qualification Events from the BBYRA operating fund in consultation with the BBYRA Commodore and BYC Commodore (or their designees). Disbursement is limited to posted registration fee.
3. The BBYRA Commodore, BYC Commodore and BBYRA Chairperson of US Sailing National Cup Events shall meet in September of each year to review the disbursements for the Feirer Fund and the performance of the Feirer Fund. BBYRA is to be reimbursed for disbursement(s) made for posted registration fee(s) for National Cup Events and/or US Olympic Qualification Events up to the maximum interest earned. In the event BBYRA disbursements exceed the annual interest of the Feirer Fund for posted registration fee(s) for National Cup Events and/or US Olympic Qualification Events, BBYRA will be reimbursed from the Feirer Fund as future funds become available.
4. Any funds that are not disbursed shall revert to the Feirer Fund principal.

- (b) When from 4 to 6 races have been completed, a boat's series score will be the total of her race scores excluding her worst score.
- (c) When from 7 to 8 races have been completed, a boat's series score will be the total of her race scores excluding her two worst scores.
- (d) When from 9 to 12 races have been completed, a boat's series score will be the total of her race scores excluding her three worst scores.
- (e) When from 13 to 15 races have been completed, a boat's series score will be the total of her race scores excluding her four worst scores.
- (f) When more than 15 races have been completed, a boat's series score will be the total of her race scores excluding her five worst scores.

15. SAFETY REGULATIONS

- 15.1 Changes in registered skipper (person in charge) or sail number must be reported at the registration desk or reported to the late entry boat in the vicinity of the Area Start Boat or the Start Boat prior to the boat's warning signal. The skipper need not be the helmsman but must be on board while racing.
- 15.2 Any registered boat sailing in the starting area between her warning and starting signals will be considered a contestant for the purpose of determining Championship Series qualification.
- 15.3 If a boat does not start or fails to finish, the skipper shall report personally or by VHF radio directly to the Area Regatta Committee or a Patrol Boat before leaving the race course.
- 15.4 All Sunfish and single-handed competitors shall wear personal buoyancy at all times while afloat. This changes RRS 40 and the Part 4 preamble.
- 15.5 E Sloops shall deploy mainsail floatation at all times while racing. This modifies E Sloop Class Rules.

16. EQUIPMENT AND MEASUREMENT CHECKS

A boat or equipment may be inspected by the race committee at any time for compliance with the rules and the sailing instructions. On the water, a boat can be instructed by the race committee to proceed immediately to a designated area for inspection. When Flag L and a class signal are displayed at the finish line boats shall proceed immediately to the Area patrol boat flying the same signal in the vicinity of the finish line for a mandatory safety inspection. Boats must remain in the area until dismissed by the inspection team. While awaiting inspection, contact with other boats is prohibited. A boat that fails to comply with the rules or these instructions will be protested by the Race Committee which could result in a DSQ for the one race preceding the inspection.

17. RADIO COMMUNICATION

A boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats. This restriction also applies to cell phones, pagers, radios, etc. Transmission from these devices is only allowed for emergencies.
